DIVINE LOVE SOUP KITCHEN

Dear friends,

We thank God for you our donors and for the work your donations have enabled us to accomplish. We continue to pray in thanksgiving for your untiring effort and immense sacrifice as you journey with us to reach out and cultivate the seed of God's love in the heart of all who benefit from your great generosity. The Daughters of Divine Love touch many lives with your generosity. The love and hope you sow in the heart of the poor of Yahweh, Whom we serve with your donations, is an eloquent testimony of your faith.

For some months now we have been working with SPIRES center for the homeless in Streatham, providing food items and helping to drop off food to homeless people. As a congregation, we would love to do more and be part of this great apostolate of feeding the homeless. We shall be opening our own soup kitchen in Streatham, London starting this October. The Divine love soup kitchen which will run on the second Saturday of every month, providing hot food, food packs, hot drinks and toiletries to the homeless and any one who wants a hot meal. We are deeply grateful to Fr Gregory Verissimo PP for making the church hall at English Martyrs Church available to us. Please remember us in your prayers, and please do support us in any way that you can as we embark on this new area of our apostolate.

We have many supporters and if everyone was to set up £5 a month standing order, we would be able to continue with these projects. Please keep supporting our work and set up a monthly payment of £5 every month

SPECIAL SCHOOL

There has been a delay in the continuation of the construction of the school for children with special needs in Awka, Nigeria. We mentioned at our last newsletter that this was made possible by our annual mission appeal to parishes in England and Wales. Unfortunately, because of the corona virus pandemic, the mission appeal had to be cancelled. We do not have money now to continue with the work but will always rely on God's providence and the generosity of our donors to help us continue our good work.

We thank you all for your support. Please continue to pray and support us that we might see it to completion. Regular updates will be available on our website and in our newsletter.

We cannot do this work without your help...
